

project

date

A mobile app login screen mockup. It features a header bar with an Android robot icon on the left and 'project' and 'date' labels on the right. The screen content includes: a top status bar with a signal strength indicator; a box for 'App logo and title'; a 'Username:' label followed by a text input field; a 'Password:' label followed by a text input field; a link 'Forgotten your password?'; and a 'Log In' button. The bottom of the screen shows a standard Android navigation bar with back, home, and recent apps icons.

A mobile app registration screen mockup. It features a header bar with an Android robot icon on the left and 'project' and 'date' labels on the right. The screen content includes: a top status bar with a signal strength indicator; a box for 'App logo and title'; a 'Username:' label followed by a text input field; an 'E-Mail:' label followed by a text input field; a 'Password' label followed by a text input field; a 'Confirm Password' label followed by a text input field; and a 'Register' button. The bottom of the screen shows a standard Android navigation bar with back, home, and recent apps icons.

A mobile app password reset screen mockup. It features a header bar with an Android robot icon on the left and 'project' and 'date' labels on the right. The screen content includes: a top status bar with a signal strength indicator; a box for 'App logo and title'; a 'Username:' label followed by a text input field; a 'Send a new password' button; and a large empty rectangular area below the button. The bottom of the screen shows a standard Android navigation bar with back, home, and recent apps icons.
